

Code of conduct for young people

As a member of our club, we want you to enjoy taking part, support others, and have fun.

To help make the club a positive place for everyone, please follow this code:

Be Prepared: Arrive on time for training and events with the right kit.

Take Part Fully: Warm up, cool down, and give your best effort in everything you do.

Encourage Others: Cheer for your teammates and other participants. Celebrate everyone's achievements, not just the winners.

Work Together: Listen to your coach, support your teammates, and respect other competitors. We all make the sport better by working together.

Play Fairly: Follow the rules and respect the decisions of officials, even if you don't agree.

Be Respectful: Treat everyone with kindness and respect, no matter their background or ability.

Stay Calm: Control your temper and use positive words. Avoid arguing or upsetting others.

Be Safe: Don't bully, take unfair advantage, or do anything that might hurt yourself or others.

Be grateful: Always thank your coach, officials, and everyone who helps at training and events.

Enjoy Yourself: Focus on having fun and helping others enjoy themselves too.
